

## PRESIDENT'S MESSAGE

The Society of American Military Engineers (SAME) is an excellent association to meet a variety of military and civilian professionals in the AEC community. Our membership continues to grow from interested companies and individuals that volunteer and continue to spread the word of SAME's mission and goals.

As an association—our monthly luncheon meetings and presentations bring forth topics of interest in our community and environment. We are able to bring presenters with their pulse on a specific topic and share their expertise with our membership and guests.

Our internal programs spearhead efforts to inform, educate, and instill an interest in Science, Technology, Engineering, and Math (STEM) by providing in-class informative presentations to fifth graders—getting in front of these curious minds to share a variety of careers and vocations that can be built from pursuing an education in STEM programs.

SAME will celebrate its Centennial in 2020 and the entire association is gearing up and preparing for our "Run to 2020 and Beyond". Our 2020 Strategic Plan can be viewed at the link below.

[https://www.same.org/Document-Exchange?Command=Core\\_Download&EntryId=1590](https://www.same.org/Document-Exchange?Command=Core_Download&EntryId=1590)

SAME is a great place to share your interest and energy in a welcoming and collaborative environment. Join us for an upcoming event - and check out what's going on at SAME Sacramento Post.

**2018 ANNUAL HOLIDAY MIXER | TUESDAY, DECEMBER 11, 2018 - 6:00 PM - 8:30 PM**  
**The Firehouse Restaurant, Old Sacramento**

Each year our Post's Annual Holiday Mixer creates a lovely environment to enjoy some savory appetizers, libations, games, and of course door prizes!!!!

**This is one event that you do not want to miss!**

If you are interested in sponsoring the event, please contact Jodi Durrett at 916-768-2993 or [durrettjodi@gmail.com](mailto:durrettjodi@gmail.com) for more information. Th

**Savory appetizers and one (hosted) adult beverage is included with the cost of registration. The Firehouse offers Valet Parking - as well as street and local parking garages.**

**Event information, early bird registration pricing, and sponsorship opportunity information flyers follow this page.**

**EDUCATIONAL OUTREACH**

Many Post members may not know of the Sacramento Chapter SAME Boards decision to support our members by providing a budget for professional licensing assistance.

If you are currently seeking a Professional Engineering license or some other license please e-mail Sean McNeil ([sean.t.mcneil@usace.army.mil](mailto:sean.t.mcneil@usace.army.mil)) and provide the following information:

1. License being obtained;
2. Costs associated with materials (e.g., books, preparatory courses and exam fees);
3. Your SAME membership number; and
4. Activities/Meetings you participated in with Sacramento Post.

As there is a limited budget the Board will decide amounts per person and how many can be assisted each year. Please encourage your younger members to participate in the Post and apply for this assistance as it is one of the many great benefits of being a member of the Sacramento Post of SAME.

**SAME SACRAMENTO POST'S ANNUAL HOLIDAY MIXER**
